IMPASSIONED PLEA FOR MILITANT CHURCH MADE BY DR. LANDRITH IN C. E. CONVENTION ADDRESS

"From Now on We Are Going Out to Lick the Devil and All His Cohorts," Declares Prohibition Leader; Greater Voice in Government

By R. D. KNICKERBOCKER

Prohibition, Woman Suffrage, the Defeat of Kaiserism. These three, in the order named, were declared by the Rev. Dr. Ira Landrith, speaker of the day at last night's meeting of the Christian Endeavor convention, to be the greatest events in the history of mankind since the coming of Christ.

"Looking Unto Jesus as Young People," was the scheduled title given in the program, but "The Church Militant" more fittingly describes Dr. Landrith's impassioned plea for the church to demand a greater recognition for the right to have a voice in the decisions of the government.

"I hope and pray that the church of tomorrow will be more efficient; I know, however, and let me emphasize this—I know that the church of tomorrow is going to be the most militant organization in the world," declared Dr. Landrith.

"Heretofore the evangelical denominations have been too busy licking each other to tackle the devil. But from now on we are going out to lick the devil and all of his satellites and cohorts, and you know who they are without my telling you."

"The powers of darkness are well organized and unceasingly alert, and it is necessary for the church to be unceasingly alert and well organized. Hit hard at our enemies. Stand together as a unit in defense of the church and in opposition to those who oppose the church. When the moving picture shows sneer and ridicule the ordained ministers of Jesus Christ, by cartoons and gibes, I say it is time the moving picture theatres were closed."

Would Close Up Newspapers
"When a newspaper laughs or sneers, or in any way casts ridicule or opprobrium upon the church—or the eighteenth amendment, which is the greatest event since the coming of Christ,—I say that it is time to deny the right of the mails to that newspaper. Close it up," the speaker continued.

"Prohibition is now the law of the land, and anyone who is not squarely behind prohibition now is an anarchist and a Bolshevik. Having made the United States dry we are going to make the world dry, including San Francisco. And remember, ladies, that it is we men, we men whom you often tax with our lack of virtue, that made this thing possible. Before we gave you suffrage and turned over the keys of the house, we first gave that house a thorough cleaning, and it is now up to you to keep it clean; wherever you find a wet spot, mop it up—dry."

"From the pulpit to the smoking car I find it to be the universal opinion that what this world needs is a big dose of old-fashioned religion; this a young people's age."

"And speaking of tobacco and smoking, I will admit that there are men who will do all their smoking on this earth, but at the same time it is a habit that should go. Girls don't learn, and boys don't learn, and if you do smoke, no matter what your age or sex, quit. Quit, if it kills you. Quit anything that is a habit."

C. E. Proves Factor in Church
Going into the origin and history of Christian Endeavor, Dr. Landrith declared that the present high position and power enjoyed by the church was due more to the work of the Christian Endeavor than any other factor in the church.

"When the Christian Endeavor was started it scared a lot of old fogies and fossils in the church half to death—and they needed to be scared; the church was dying by inches and didn't know it. They objected on the ground that the young people in the Christian Endeavor would get control of the church, and by the grace of God the Christian Endeavor did get control."

"It must have been through the divine working of Christ for it was the greatest thing that ever happened to the church. These old fossils said the Christian Endeavor Union was nothing more than 'spooning societies,' matrimonial bureaus, so to speak. And they were."

Sets Ideal for Marriage

If the Christian Endeavor had done nothing else but bring the young people of the country together in marriage, I say that that alone would have been well worth the time and effort spent in its organization. For I would rather stake my belief in the home founded under the auspices of Jesus Christ than in those founded under the auspices of the moving picture show, or under the auspices of a dark park bench at midnight."

It was a large and enthusiastic audience. (Continued on Page 5)

C. E. RESOLUTIONS ARE DUE TONIGHT AT CONVENTION

Wright Enforcement Act To Be Supported; Near East Aid To Be Favored

The resolution committee of the C. E. E. many respects the most important committee of the organization, again failed this morning to submit the resolutions as to the California Christian Endeavor's attitude upon the questions of the day. The resolutions are to be submitted at the final meeting this evening, when the committee will submit a resolution, amongst others, urging that active part be taken against the referendum opposing the Wright Prohibition Enforcement Act, recently passed by the legislature, as a supplementary aid in the enforcement of the Volstead Act.

A second resolution will ask that the C. E. get behind the movement for the aid of sufferers in the Near East.

Dr. Ira Landrith, who spoke last night at the auditorium, will again be the speaker of the meeting to-night and also officiate at the installation of the newly-elected officers.

Juniors Present Playlet
This morning's session was devoted to affairs concerning the juniors and was presided over by Miss Anna Shields, junior superintendent. The blessing was asked by the Rev. Levi Gregory, pastor of Christian church of Oakland, who prayed for the absent members.

Howard Brown took charge of the "Helping You to Help Yourself" sale when the state publications were offered to the audience. Inasmuch as Mr. Brown wrote the "Better Prayer Meeting" much interest was attached to this event.

A missionary play, entitled "The Pill Bottle," was put on by the C. E. society of the First Christian church of Long Beach.

Sum Of \$7,809 Is Quickly Contributed By C. E. Delegates

At the conclusion of Dr. Ira Landrith's address at the Christian Endeavor convention last night a fund-raising campaign was commenced. A blackboard showing the names of the various county unions was placed on the platform, and the amount contributed placed after each name.

Following a spirited plea by Dr. Harry Straub and Arthur Gatter for a liberal offering, the leaders of the different units reported the number present, together with the amount contributed.

At the conclusion of the campaign it was announced that the sum of \$7,809 had been secured in the short space of thirty minutes, breaking all previous convention fund-raising campaigns.

Miss Anna Higley Is Back From San Diego

Miss Anna Higley returned Monday to her home at 217½ Hawthorne street after a week's visit in San Diego. While there she attended the wedding of Miss Sarah Stingley, who formerly resided at 149 South Pacific avenue, this city, to Mr. Carl Henderson of Santa Monica. Mr. Henderson has the agency for the Nash at the beach city and they plan to build a home there. Mrs. Henderson's Glendale friends are rejoicing that she will be nearer them again.

J. A. Foster Here To Visit Relatives

J. A. Foster and family of San Mateo, California, motored to Glendale and have been visiting his brother-in-law and sister, Mr. and Mrs. Joseph Guidinger of 455 West Doran street. The party returned yesterday from a very delightful camping trip to San Diego. They are planning a trip to Catalina some time next week. Mr. Foster is quite enthusiastic about Southern California.

MRS. D. FRANCEY HOSTESS
Mrs. David Francey of 136 North Kenwood street had the pleasure of entertaining Mrs. J. A. Wallace and Little Miss Betty Wallace, former Glendale people, yesterday.

A. J. McCormick, 75, Celebrates Birthday With Airplane Flight

A. J. McCormick of Cadiz, Ind., who is visiting at the home of his son, G. A. McCormick of 825 East Wilson avenue, celebrated his seventy-fifth birthday on Sunday.

In addition to a day at the beach and many happy returns, he took an airplane ride over the ocean with B. H. DeLay, Venice aviator.

"I would like to make a flight every day for the rest of my life," he confided to friends after landing on earth safely.

Mr. McCormick is a veteran of the Civil war.

Charles Mallett Has Birthday Celebration

Charles Mallett of 1111 East Lexington drive, father of Mrs. R. R. Davis of that address, celebrated his ninetieth birthday anniversary Monday, June 27. The evening was the scene of a happy gathering of thirty relatives and friends, who assembled to congratulate Mr. Mallett on his long pilgrimage. A very delicious dinner was served on a long table set out of doors.

This was the seventeenth birthday anniversary Mr. Mallett celebrated in California, fourteen of them with practically the same group of friends. Mr. Mallett was the recipient of many beautiful and rare flowers and other gifts. C. E. Peck, jeweler, whose birthday occurred on the same date, came to offer congratulations and a bouquet of old-fashioned flowers, which was greatly enjoyed by Mr. Mallett. Other neighbors called to extend best wishes, and altogether the occasion was one long to be remembered.

W. R. Ireland, Age 66 Years, Is Summoned

W. J. Smith of 305 North Maryland avenue, while serving on the election board of precinct number 4 last night, was called out and notified of the death of his brother-in-law, W. R. Ireland of 309 Milford street. Mr. Ireland was 66 years old had lived in Glendale but three months, coming here from Los Angeles. He is survived by his wife, Mrs. Matilda McCoy Ireland of this city, and a daughter, Mrs. A. W. Robertson of Santa Barbara. Mr. Ireland was a native of Kansas. The Jewel City Undertaking company is in charge. Funeral services will be held from the Little Church of the Flowers at 3 o'clock Thursday afternoon.

W. L. Gater Visitor At Gould Home Here

W. L. Gater of Coggon, Iowa, was a caller at the office of The Glendale Evening News yesterday. He has just recently arrived in Glendale and is the guest for ten days at the Gould residence, 118 Lomita avenue. Mr. Gould was the principal of the high school from which Mr. Gater graduated. This is his first visit in Glendale and he is enjoying it thoroughly. He was called to California by business interests and may decide to locate here.

Mrs. B. V. Brasher Is Hostess At Luncheon

Mrs. B. V. Brasher of 1017 Melrose avenue entertained with a luncheon Tuesday in honor of Mrs. H. L. Frey of San Francisco, who is en route to Coco-Solo, Panama, to join her husband, H. L. Frey, of the U. S. N.

Out-of-town guests present included Dr. and Mrs. Chatterton, Mr. and Mrs. S. G. Snuggs of Los Angeles, Mrs. Lena Fisher of Dallas, Texas, and Fred Frey of Dallas, Tex.

Mrs. Dorothy Van Wie Is Singer At Wedding

Mrs. Dorothy Van Wie, 316 North Belmont, was a guest at the wedding of her cousin, Spencer Stevens of Los Angeles, to Miss Martha Hart, formerly of San Diego, last week, and sang "I Love You Truly" before the ceremony, which was simple, but very beautiful. The house was tastefully decorated for the occasion and the bride and groom were married under an arch of carnations and ferns.

L. H. BESS IS VISITOR
L. H. Bess of Victorville, California, spent the week-end with his sister, Mrs. W. H. Nicholson of 1215 East Wilson avenue.

QUARTER MILLION IN BUILDING PERMITS NOW EXCEEDED

About Two Million Dollars Total For Year To Date; 1920 Mark May Go

Election day apparently had no retarding effect on the issuing of building permits, the total for yesterday being permits for the erection of nine residences, at an aggregated value of \$21,700. This amount makes the total for the month \$257,361, which is considerable in excess of the coveted quarter million mark.

The grand total for the year is now \$1,918,799 or in round figures, two million dollars.

If the pace set during the first half of the year is held throughout the remaining six months, the world's record of 1920 will be exceeded.

Permits Issued Yesterday

Permits issued yesterday and up until noon today are as follows:
S. J. Severing, residence, 324 West Doran \$5,900
W. J. Collins, residence, 817 East Wilson 3,000
C. W. Ingledue, residence, 1021 Mariposa 2,500
A. G. Smith, residence, 723 East Chestnut 2,000
A. G. Smith, residence, 727 East Chestnut 2,000
A. G. Smith, residence, 801 East Chestnut 2,000
A. G. Smith, residence, 805 East Chestnut 2,000
A. G. Smith, residence, 809 East Maple 2,000
J. Cline, addition, 324 West Doran 300

SWIMMING POOL BOND ISSUE WINS AND WAREHOUSE PROJECT LOSES; SHERER RETAINS CITY CLERKSHIP

More Than 50 Per cent Registered Voters Ballot in Factional Battle Which Ends With Harmonious Group Taking Office Under New Charter

Spencer Robinson, C. E. Kimlin, S. A. Davis, Dwight W. Stephenson and A. H. Lapham were elected members of the Glendale city council in yesterday's election.

J. C. Sherer remains city clerk and J. W. Stauffacher city treasurer by the vote of the citizens, and Eva C. Barton, David Black, Nettie C. Brown, David J. Hibben and Presly O. Lucas will hereafter constitute the board of education.

When the votes were finally counted by 7:30 o'clock this morning, it was learned that 4,262 ballots had been cast—or more than 50 per cent of the registration.

The figures from the last precincts to report also revealed the fact that the Patterson park swimming pool proposition, entailing a bond issue of \$22,000, had carried by a vote of 2532 to 1212.

The municipal warehouse bond issue for \$26,000 was defeated 2315 to 1234.

Messrs. Robinson, Kimlin and Davis scored a heavy majority in the race of fifteen candidates for the five councilmanic posts. Mr. Stephenson overcame an early lead by W. C. Mabry and in the final shuffle, Mr. Lapham outdistanced both Mrs. Ann P. Bartlett, a member of the present board, and Dr. Mabry.

Sherer Heavily Supported
To Mr. Sherer, the city clerk, goes the honors of the day, however, in receiving 1825 votes as compared with a total of 1779 given three opposing candidates. Mr. Stauffacher, treasurer, was unopposed and received 2672 votes from those voters who

remembered that the care of the city finances need be kept in good hands. On page 4 will be found a detailed table showing the standing of each candidate and in view of the several tickets in the field, it will be interesting to note the "single-shotting" methods used to pile up votes in certain precincts, also the way a split ticket was marked by many.

Early indications made it seem that representatives of three factions would be on the board, but it seems that a harmonious choice has been made. Messrs. Davis and Kimlin will be introduced to their official duties on July 5; the other members of the council being incumbent. Mrs. Bartlett and C. H. Henry, both candidates for re-election, will retire at that time.

Balloting yesterday was uneventful except for the tardy reports of the election officials which is attributed to the consolidation of several county precincts and the fact that an unusually large vote was polled.

Verdugo Reports First
Verdugo Woodlands precinct, No. 12, was the first to report with 57 ballots counted by 7:30 o'clock. No. 1 in the Grand View district was second, the report being telephoned to The Glendale Evening News office about 8:30 o'clock with its 50 votes showing the way the political wind was blowing.

The twenty-four hour service afforded to the election officials and the general public by The Glendale Evening News, also the graphic wall chart with the records of the candidates and propositions presented in tabular form, made this office the center of the political whirlpool last night and today.

Among the many interesting features of the election was the quietude surrounding the Sycamore canyon polling place at the P. S. McNutt home on Sierra avenue. There the officials and several friends cast their ballots and called it a day with eight exercising their privilege of voting.

Puts Over Plunge Bonds
Consolidated precinct No. 2—yes, the one in which Judge F. H. Lowe resides—put over the swimming pool in its late returns, there being 477 votes for and 129 against the proposition which had but a scant majority, considering the excellent purpose for which \$22,000 will be spent. Then, too, this is the home precinct of the plunge.

Now that the people have expressed their desires regarding officials and other matters, it is expected that Glendale will get away to a flying start with its brand new charter which enables it to conduct the local government along a broader plane than heretofore.

Regarding their election, the victorious candidates address the public through The Glendale Evening News as follows:
SPENCER ROBINSON—"The splendid majority returning me to the city council is indeed gratifying and words fail me in expressing my appreciation to the thousands of friends who have confidence in my ability to 'carry on' a sane, progressive policy in all matters pertaining to the city government. The future (Continued on Page 4.)

Report For June Is Made By Judge Lowe

Glendale's principal law breakers continue to be automobilists, all but four of the 218 offenses of the last month having been committed by drivers of machines. The total amount taken in through Judge Lowe's court for June is \$1,303.50, from 218 fines.

Following are cases tried in June: Speeding, 66; open muffler, 66; turning between intersections, 15; improper parking, 11; battery, 1; disregarding traffic marker, 6; driving without brakes, 1; driving without license, 2; cutting corners, 8; obstructing fire hydrant, 6; improper lenses, 14; disregarding officer's signals, 1; burglary, 1; no rear light, 2; intoxication, 4; reckless driving, 1; driving while drunk, 2; wrong side of street, 1.

Mrs. Bertha Dodds of 347 Vine street was in Los Angeles Friday on business.

Miss Myrtle Baldwin of 624 North Orange street is spending her vacation at Lytle Creek canyon.

Members of the Milford Street Card club will be guests tomorrow of Mrs. R. Vinton at her home in Hollywood.

Miss Cora Kaiser of Hollywood spent Sunday at the home of Mr. and Mrs. A. C. Schrader of 1224 Dorothy drive. Miss Kaiser is Mr. Schrader's cousin.

Miss Mina Smith and Mrs. Lucy Young of 106 East Wilson avenue left Tuesday with a group of Los Angeles friends for San Diego, where they will make a month stay.

Mrs. Ada Dessan of the Government school for Indians at Phoenix, Ariz., and her sister, Miss Carrie Woolsey, a nurse from Fresno, were week-end guests of the Kulp family, 355 Vine street.

J. E. Foy, 122 Chestnut street, with Robert and Walter Jensen, went on a fishing trip to Big Bear Friday, returning Monday evening. They may have caught fish, but the reporter was unable to get any information on that point.

Miss Lucille Tholen of 819 South Brand boulevard is entertaining a party of thirty friends this afternoon at a bridge-club, which is being given at the Wilshire club.

Mrs. P. E. Cory of 820 South Central avenue, who has been quite seriously ill with bronchial pneumonia, is much improved and expects to be able to be up in another week.

Miss Jeanette Baldwin of 624 North Orange street is in Redlands attending the funeral of Mrs. O. W. Harris of that city. She then intends to go to the Harris' summer home at Oak Glen for several weeks.

Mr. and Mrs. H. B. Grenfell of 1101 East Broadway, together with L. B. Pratt, who recently moved to Burbank from Fresno and purchased a home in that city, motored to Riverside Saturday evening, returning Sunday.

The sixteenth bowling match of the season will be played on the alleys of Glendale Lodge of Elks, No. 1289, when the local team, of which Joe Fortunato is captain and manager, will meet the Elks' team of Long Beach Friday.

Attorney and Mrs. James F. McBryde of the DeLuxe apartments entertained as their guests Sunday Miss Lois Johnson and Lewis Ballinger of Los Angeles, Mr. and Mrs. Charles Carter, Mrs. Sarah Mosher and Miss Ella Mosher of Pomona.

Mr. and Mrs. Edmund Kearne and Mrs. Kearne's mother, Mrs. C. H. Jenkinson, were guests in the home of Mr. and Mrs. H. E. Van Housen, 1320 North Maryland avenue, Saturday and Sunday. They are on their way from San Diego to Elko, Nevada.

Mrs. T. A. Wright, accompanied by her son, William Wright, left Saturday for South Bend, Indiana, where her mother, Mrs. Almira Gaffner, is in a very critical condition following a stroke of paralysis. Mrs. Wright expects to make a visit to friends in Ohio before her return in September.

Mrs. James Webb and Miss Lois Webb of 127 West Chestnut street are leaving this morning for a three months' visit with relatives and friends in Iowa. They will stop at Denver, Epworth, Stormlake and Dubuque, where Mrs. Webb's parents, Mr. and Mrs. C. M. Platt have their home.

Peter Diederich, superintendent of plant and production of the public service department, together with his wife and son John of 327 North Belmont street, and Mrs. Diederich's mother, Mrs. F. B. Phillips, motored to Big Bear Valley Thursday and returned Sunday. Mrs. Phillips has just recently returned from a trip to New York.

Rev. Eugene E. Haines, who was pastor of the First Baptist church of Glendale in 1913, is now living at 312 East Dryden street. Rev. Haines left Glendale to take a pastorate at Porterville, and just before the armistice left his church there to go into war work with the Y. W. C. A. Since the armistice, no desirable pastorate being open, he has been with the Pacific Mutual Life company.

Mr. and Mrs. John Dunn of 446 West Colorado street and Mr. and Mrs. Alvin Dunn of Pasadena will motor to Coronado for over the 4th of July. John Dunn and Alvin Dunn will return Tuesday and Mrs. Dunn and Mrs. Alvin Dunn will remain for the rest of the week. Mrs. John Dunn's father, Stanley Frenz, has been at Coronado for several weeks and will spend the summer there.

Little Margot Buxton, who has been spending the winter with her grandparents, Mr. and Mrs. C. M. Turk of 1013 South Glendale avenue, is leaving Thursday for her home in Chicago. The little girl has made quite a place for herself in Glendale, and is considered to be one of the most talented little dancers in the city. Monday she danced with KoVert at the final program of the Ebell club at the Ambassador hotel.

LOCAL COMMITTEE ON U. C. STADIUM DRIVE NAMED

George U. Moyse And Others To Campaign For Funds In California Project

George U. Moyse, principal of Glendale Union high school, has been named chairman locally for a drive for funds to present the University of California with a \$1,250,000 stadium. Other members of the Glendale committee are Miss Mona Gardner, Miss Lillian Shattuck and W. R. Smith.

This announcement was made today by John W. Cline, Jr., field representative of the project, who was accompanied to Glendale by P. L. Davies. In speaking of the need for the stadium at Berkeley, the stamping ground of the California Bears—champions of the world—Mr. Davies said:

Need For Stadium Told
"Over 30,000 applications from students and alumni for the California-Stanford game last year had to be refused. The capacity of the field is so limited that the general public—the thousands of loyal Californians, who are heart and soul behind the state, and who glory in the accomplishments of her sons, but who are neither students nor alumni of the university—could not even be given an opportunity to file applications for seats."

"Because this unfortunate situation existed last year, and because it has existed in very much the same degree for years, it has been decided to follow the example set by Ohio state university, by the University of Washington, by Harvard, and by Yale, and to build a great stadium that will accommodate much larger crowds than can now be cared for."

Will Seat 75,000
"Accordingly, a stadium to seat 75,000—the largest and the most beautiful in the United States—will be built at Berkeley in time for the football season of 1922. All citizens of California as well as those who are students and alumni of the university, will be able to enter subscriptions that will assure them, each year for ten years, two seats at the California-Stanford game, whether the game is played at Berkeley or at Palo Alto. The campaign to raise funds for the stadium will start during the 1921 football season."

"Due notice will be given, through the papers, of the exact date of the starting of the stadium drive, during the football season of 1921."

"California's drive will be a short and intensive one. In the brief space of ten days, Ohio state university, in the fall of 1920, raised sufficient funds to build their stadium, which is now under construction. Only a brief campaign was necessary to raise money for the University of Washington stadium, which has recently been constructed."

"The great state of California, proud of the champions won by her son on wide-field fields of sport, will respond even more promptly than other states have done."

Public Flogging For Wife Beaters, Proposed

SANTA ANA, June 29.—"A law providing for the public flogging of men who beat their wives would put a stop to this crime," declared J. B. Cox, justice of the peace of Santa Ana, today. Cox took the law in his own hands here Monday and publicly horsewhipped Juan Torres, after Torres had pleaded guilty to wife beating.

"If wife beaters were given the same brutal treatment they inflict on their wives there would be little or no wife flogging."

"Too often it is used as a means of getting rid of a wife after a man has become smitten with a 'chicken' and desires to get rid of his legal helpmeet so that he may 'take on' his new love."

"We have tried most every kind of punishment to put a stop to this inhuman treatment by men of the women they promised to love and protect. Let's get down to something with a real punch in it."

Quick Action Results From Ad In The News

How's this for service? On Friday evening of last week Miss Cecilia Lyon of 665 North Central avenue, lost a fur somewhere in Glendale. Hearing nothing of it over the week-end, Miss Lyon decided to put an ad in the classified columns of Monday's Glendale Evening News. Just twenty-five minutes after the paper had left the press, Miss Lyon received a telephone call from H. S. Webb, Brand boulevard merchant, to the effect that he had found the fur and had been waiting to answer an ad.

This is but another instance of the satisfaction gained by local citizens every day through these columns.

Life Recruits Meet At Breakfast Table And Hear Discussion

By W. F. TOWER
The breakfast for the life recruits and their leaders was held in the Congregational church this morning at 7 o'clock. Notwithstanding the early hour a number were there before the doors were opened. In all nearly a hundred were present.

This class is known as life recruits because they have volunteered for life service in some of the various departments of Christian activity of the Christian Endeavor work. Addresses were made at this recruit breakfast by Mr. and Mrs. Chester Rutledge who will sail early in August for work in China. By Miss Mabel Cutler who has been teaching in China and is expecting to return there at an early date.

Mrs. Royal J. Dye, the newly elected recruit superintendent, also addressed the company. Field Superintendent Paul C. Brown gave one of his inspiring talks. A goodly number of young people have volunteered at this convention. California is one of the most active states along this heroic line of Christian work. There are some 300 representatives in the field and about 800 in training. Dr. Grace H. Sharp of Saticoy has been the efficient superintendent of this department for the last two years.

This Vinegar Has Heavy Pucker
Orange vinegar, made at San Dimas, is said to have a pucker that will make the most nonchalant bean eater sit up and take notice. Four experts from the department of agriculture are making the new product from all of the cheap oranges they can find, as it seems assured there will be a marked demand for this vinegar.

Groves Brothers Are Sentenced
The Groves brothers, prominent in democratic circles, have been sentenced by the federal district court for the misuse of public office, brought by them through swinging political favor. Ralph Groves, former prohibition enforcement officer, is to spend one year in jail. His brother Ray, formerly secretary of the democratic state central committee, pays \$2500 fine, and Edward C. pays \$500.

"Brother Isaiah" to Venice
"Brother Isaiah," faith healer whose ministrations have attracted daily crowds from 10,000 to 20,000 to "miracle hill" in Los Angeles, will begin holding similar meetings in Venice on July 15, he announced today.

The Los Angeles city health bureau yesterday placed a ban on the meetings at "miracle hill," following the finding of two lepers among the vast throng which had gathered to seek help from "Brother Isaiah."

Judge Lowe 'Kidded' On 'Stuffing Ballots'

Being threatened to appear before the grand jury is the latest experience of Judge F. H. Lowe, city recorder. The charge against the judge charge against the local magistrate is that of "stuffing the ballot" in yesterday's election, and was jestingly hurled at him this morning by several of his friends who served on the election board in precinct No. 2, which is incidentally Judge Lowe's precinct. They declared that on four of the ballots the only cross found was the one under "Yes" on the swimming pool proposition, and as the judge was one of the city's strongest proponents for the measure he was laughingly accused of casting spurious ballots.

For two years Judge Lowe has been working on the swimming pool project and the fact that the bonds carried yesterday is largely the result of his efforts.

ENTERTAIN FOR FRIENDS

Mr. and Mrs. J. M. Swaner of 452 Milford street entertained a group of friends informally Monday night. The guests included A. E. Swaner of Coalinga, Mr. and Mrs. Ed Yarter, Miss Marie Linckes and Dale Sturgeon of Los Angeles, Miss Mayne Lee Evans, Lee Wert of Yakima, Ernest Butler and the host and hostess. The evening was spent in music and singing.

A. E. SWANER VISITOR
A. E. Swaner of Coalinga, who recently came to California from Kentucky, motored to Glendale Monday and is a guest at the home of his brother, J. M. Swaner, 452 Milford street. He will return to Coalinga tomorrow.

WILL RAZE AUDITORIUM

A corps of volunteer workers will assemble on Thursday at the Christian Endeavor auditorium for the purpose of razing the structure which has served for the John Brown meetings and the convention. Additional workers are needed and are requested to report at the tabernacle site.

MRS. LOUISE STOCKER LEAVES
Mrs. Louise Stocker of the C & S cafeteria will leave Glendale Friday morning for the east and will return some time in September. She will go by way of Santa Fe. Mrs. Stocker intends to visit in Kansas City, Salt Lake City, Denver, San Francisco and various towns in Wyoming.

BOULEVARD BANK TO CELEBRATE WITH NEW QUARTERS

Branch Of Los Angeles Trust & Savings Completes Program Of Alterations Soon

After July 4 the Brand boulevard branch of the Los Angeles Trust & Savings bank at 104-106 North Brand boulevard announces it will have for its patrons all the conveniences and comforts of an up-to-date city bank.

Alterations have been under way for the last six months and the bank management states those who have been inconvenienced by the cramped quarters will be amply compensated, as no expense has been spared in making this branch a most up-to-the-minute institution—one that is a pride to this rapidly growing city.

The walls and partitions in the lobby are of marble and mahogany. The writing tables for the clients are also of marble as well as the settees, which have leather cushions.

Provided With Comfort
The room to the left as one enters is for the accommodation of the public and is provided with comfortable chairs and a writing desk. This addition, the management believes, will be especially appreciated by those who know what it means to stand in line waiting for an interview with D. H. Smith, the manager of the branch.

The room in the rear is provided for the safe deposit vault which is of reinforced concrete and has an electric burglar alarm.

There is an ample supply of safe deposit boxes, and the room adjoining the vault is equipped with individual booths where the patrons can open their boxes without being disturbed.

The escrow department has been enlarged and with additional help it is well able to care for its large volume of business without keeping the clients waiting too long.

Spirit of Co-operation
In spite of the large quantity of marble throughout the new bank, one may be assured that the welcome received at branch is not in the least chilled, it is pointed out. The bank still retains that homey feeling which is due to the spirit of co-operation that prevails at that branch bank of the Los Angeles Trust & Savings, the management feels confident.

Motor vehicle registration in Al-giers exceeds 11,000.

When the Washwoman Fails to Report

There was a time when failure of the washwoman to come when expected was almost a tragedy—it meant unaccustomed work and heavy toil by the housewife—not pleasant at any time, and more than trying on sultry summer mornings.

But many housewives now have learned that the non-appearance of the laundress is really a blessing in disguise—it has taught them to try our modern laundry service.

J. T. Murphy To Frisco For More Automobiles

Joseph T. Murphy, a member of the firm of Miller & Murphy, agents for Sheridan and Scripps-Booth cars in Glendale, left for San Francisco yesterday in search of new cars for the local trade.

New cars of nearly every make are scarce, according to Mr. Murphy, and are being delivered in rotation according to the orders received. This, he declares, is especially true of the Sheridan and Scripps-Booth models and the purpose of his trip to San Francisco is to secure additional cars. Mr. Murphy drove a Scripps-Booth to the Bay city via the ridge route and it is believed will report a record-breaking trip.

C. of C. Expresses Thanks On Passage Of Pool Bond Issue

To the Citizens of Glendale:
—The Glendale Chamber of
Commerce wishes to express
their thanks and gratitude to all
the people for their splendid
work in voting for the swim-
ming pool bonds. It is one
great forward step, one more
link of progress in completing
the chain that will hold this fair
city aloft as one of the most de-
sirable places in the known
world to live.

This swimming pool is much
needed. There are many more
things we need and step by step
we will continue to go forward
until the good name of Glendale
will be echoed across the broad
land.

We thank all those who so
nobly assisted in this great
work and plead with all our
people for co-operation in the
future work of deep interest to
all.

Yours for a greater Glendale,
GLENDALE CHAMBER OF
COMMERCE.

C. C. COOPER,
President.
JAS. M. RHODES,
Secretary.

Wherever there is disaster, dis-
tress and suffering in the United
States, there the great heart of the
American people is concentrated in
generous giving.

18 Miles From Poll To Poll Here Should Agitate Explorers

Stefansson, the arctic ex-
plorer, may question this state-
ment, but it is eighteen miles
from poll to poll.

That is it takes a gallon of
gasoline and a Ford machine to
visit each one of the voting pre-
cincts in yesterday's election
here.

In rendering its complete
service to the citizens of Glen-
dale The Evening News had a
representative visit each polling
place and arrange for returns.

During the night these re-
turns kept coming in until early
today and the last were obtained
this morning.

It is estimated that nearly
1000 people visited The Evening
News office and probably as
many more availed themselves
of a telephone service which was
cheerful and constant.

MRS. J. ESTERLY IS ILL

Mrs. J. Esterly of 438 Oak street
was taken suddenly ill early this
morning with an attack of heart
trouble and for a few hours was in
a very critical condition. Later re-
ports state that she is out of danger.

It's surprising what a lot of noise
masquerades as music.

New City Council To Meet First Time On Evening Of July 5

Under the provisions of the city
charter, the new city council elected
yesterday will meet for the first time
officially at 8 o'clock on July 5.

The new city council will name
one of its members as mayor of the
city of Glendale, will select a city
manager and make other appoint-
ments or confirm them.

The provision of the city charter
relative to the terms of the elective
officers follows:

"Elective officers shall hold of-
fice for a period of four years from
and after 8 o'clock p. m. of the third
Monday of April following the day
of election, and until their successors
are elected and qualified; provided,
that the clerk and treasurer elected
and the three members of the coun-
cil and the three members of the
board of education receiving the
highest number of votes for said of-
fices respectively, at the first general
municipal election held under this
charter, shall serve from 8 o'clock p.
m. of July 5, 1921, until 8 o'clock
p. m. of the third Monday of April,
1925, and until their successors are
elected and qualified, and the other
two members of the council and the
other two members of the board of
education elected at said first gen-
eral election shall serve from 8 o'clock p.
m. of July 5, 1921, until 8 o'clock p. m.
of the third Monday of April, 1923,
and until their successors are elected
and qualified; and provided further,
that any person elected to fill a va-
cancy shall serve for the remainder
of the unexpired term. In the elec-
tion of councilmen and members of
the board of education, where full
terms and one or more unexpired
terms are to be filled, no distinction
shall be made in nominating or vot-
ing between the full terms and the
unexpired terms, but the person or
persons elected by the highest num-
ber of votes shall be elected for the
full term or terms and the person or
persons receiving the next highest
vote shall be elected for the unex-
pired term or terms, as the case may
be."

\$374,677,663 Value Of L. A. Farm Lands

The value of farm lands and build-
ings in Los Angeles county on Janu-
ary 1, 1920, was \$374,677,663, ac-
cording to preliminary figures made
public this week by the Director of
Census. This is an increase of
\$182,524,592, or over 95 per cent
over the 1910 report.

The number of farms in the
county is 12,444 with a total area of
882,333 acres.

There are 10,877 white farmers
and 1,567 colored farmers.

Among the principal crops of the
county oranges and lemons show a
large increase over 1910 while there
is less hay and grapes grown now
than in 1910. Among the domestic
animals there are more mules, cattle
and swine than there were in 1910
and a less number of horses, sheep
and goats.

Detroit has the reputation of being
one of the best regulated traffic cen-
ters in the country.

Jap Business Men Holding Up Prices

TOKIO.—Despite the warnings of
the governor of the Bank of Japan
and a few other Japanese financial
experts, the business community
here is attempting to avoid the losses
due to reconstruction. Instead of
accepting the world trade situation,
pocketing the inevitable losses and
attempting to increase production,
Japanese business men are trying to
dispose of their accumulated stocks
at war prices through stopping or

limiting production.

As a result unemployment is
greatly on the increase in Nippon,
with high prices remaining, which
prevents wage reductions. The gov-
ernment is continuing this policy,
which at first was necessary in order
to prevent widespread bankruptcy,
but now it is encouraging dodging
the issues which are world-wide.

An example of the present Jap-
anese policy is seen in the creation
of a government financed corpora-
tion to purchase silk whenever the
export quotations fall below 1500
yen (normally about \$750) a bale,
with silk producers curtailing their

production in order to increase the
scarcity. Many of the smaller han-
dlers are reported to be violating
the price agreement.

The coal mines are curtailing their
production and working off their
stocks at high prices, thus depriv-
ing industry of the benefit of cheap
fuel. The copper mines are working
half time.

During the last few months the
most noticeable business movement
has been the amalgamation of many
of the small banks, which policy the
government encourages. Electrical
manufacturing concerns are also
amalgamating rapidly.

PRISONERS MESSAGE IS DELIVERED AT C. E. GATHERING

Men In San Quentin Receive Encouragement; Northern Delegate Is Speaker

By MARGARET SHARPE
The Christian Endeavor evangelistic meeting at the Tabernacle Tuesday afternoon was confined to two short talks, as the young folks had to be out early to get ready for the parade. Chester Rutledge spoke for a few minutes to the effect that all the missionary work to be done is not in foreign lands; much there is that can be done at home, and the two speakers were to tell some of the things about California's need for missionaries.

Alfred S. Dingle brought a message from San Quentin. The C. E. organization there is unique in that every member is "under conviction," and Al says he believes he is the only superintendent who absolutely knows where all his people are at night. A well-known man once said, on seeing a convicted man led away, "There, but for the grace of God, goes me," and there was much in Al Dingle's talk to bring those apt words to mind.

Justice Not Always in Court
"There are 2043 men in San Quentin today and 25 per cent of them are under 22 years of age. They are convicted of different crimes, but what right have we to call them 'down and out.' Justice is not always found in court and many of them should not be there at all; it depends on those outside whether the lives of these young men shall be absolutely blighted by their stay there, or if they shall be strengthened to meet the temptations that were too much for them before," he said. "There are men in San Quentin who never heard of Jesus Christ before they went there. There are men who tried to lead Christian lives but had no encouragement before they went there. There are men who are dedicating themselves to work only for Christ when they get out in order to help others not to make the blunders they have made."

"The convicts have sent the message that they have thirty new members in their C. E. since the first of June. That is more than many a church can boast. There are many things we can do to help them—we can pray for them and send them literature, but what is best we can lend a helping hand when they get out. It is not for us to dare judge them, for did not Christ say, 'Let he that is without sin amongst you cast the first stone.'"

Only Seventy-three Churches
Rev. Harry Rimmer brought a startling message from the counties that rim northern California. There are seven counties in this district, covering 22,551 square miles, where there are only seventy-three churches. There is one county where there is not a single church. Among the lumberjacks along the coast there are hundreds of men who have never heard of the Gospel of the Crucified Son of God. He told an instance of one man over sixty-five years of age who had never heard the Gospel. Many have never even seen a Bible. The speaker told a graphic story of school teachers who try to establish Sunday schools and receive no help; of teachers who are the only persons within several hundreds of miles who can pray at a funeral. The biggest problem that faces California in the evangelizing of its own people, who are just as precious in the sight of God as those of foreign lands.

The Northern California Evangelistic committee is working toward that end. In the lumber camps, and the forgotten "rim of the State," they are going with the Gospel, but they cannot do what is required of them without the help and co-operation of the whole state, the speaker said.

California Figs Find Favor Through East

FRESNO, June 29.—Progress in the growing and packing of California figs promises to sound the doom of foreign-grown figs in the United States, according to E. C. Moorhead, chief of the food division of California peach and fig growers, who has recently returned from an inspection tour of eastern markets.

"The east has awakened to the superior qualities of the California fruit," said Moorhead, "and sentiment for the purchase of the American product has strongly developed. This is partly due to disorganization in Old World fig-growing countries, brought about through the chaotic conditions following the war."

KNEW HIS FATHER
A small boy, whose father's name was Enoch, and who was not noticeably of church, was being given a Sunday school lesson at home on the text: "And Enoch walked with God."
"Not the Enoch we know," brightly interjected the 4-year-old as his contribution to the lesson.

INFORMATION BUREAU NECESSARY FEATURE OF BIG CONVENTION

To Harry Marple, chairman of the information committee, belongs the task of seeing that none of the visiting delegates to the C. E. convention are lost, strayed or stolen. Not that Mr. Marple believes there is really any danger of such an occurrence, but for the comfort of Glendale's guests he has an efficient staff of helpers who have been trained to answer all questions that might be expected of "strangers in our midst." The picture was made from a photograph by Ralph Brown of Glendale.

'MILITANT CHURCH' PLEA MADE BY DR. LANDRITH

Noted Prohibition Leader Is Speaker At C. E. Session Last Evening

(Continued from Page 1.)
dience that gathered last night after the parade to listen to Dr. Landrith, who is known throughout the country as a leader in the prohibition fight. A large number of young folks who had come out from Los Angeles to take part in the parade, stayed for the evening exercises, so that when Otis Ironmonger led off with his community singing the auditorium again held a capacity crowd.

Long Beach is making a determined fight to secure the 1923 convention, but owing to the fact that only two years ago this city was chosen as the meeting place, has been able to make but little headway in this direction.

Long Beach Extols Virtues
A delegation of fifty Long Beach delegates, led by the Rev. George M. Rourke, and Edward S. Acres, of the Long Beach Chamber of Commerce, occupied the platform for some length, extolling the virtues of their city as a convention city.

The committee on resolutions asked for further time in which to prepare their report. Following the announcement of routine matters, Harry C. Allan, associate field secretary, gave another talk on "Our Union," accompanied by stereopticon slides. The subject covered last night was the coming Mt. Hermon Conference, and some very beautiful and interesting views of this famous mountain camp were shown.

True, Liquor Flows In British Columbia, But Not Smoothly

NEW WESTMINSTER, B. C., June 29.—Hard liquor is flowing in British Columbia, but like the course of true love, not always smoothly.

For example: The act which provides for the sale of intoxicants under government control, is a law, and therefore open to dispute. And the permit clerk is admittedly a little hazy on all its interpretation.

One customer from Washington state pulled up to the curb, ready to part with two dollars for a permit and extra dollars for a bottle of the "real stuff." But instead, he spent an hour arguing the clauses of the moderation act. The clerk wasn't sure whether "passenger car" means "privately owned auto" or whether the back office of a store constitutes "a public place" under the act. So the purchase was deferred until decision was made by the higher ups.

Then again, when they get it, it isn't so lovely sometimes. B. E. Johnson, a Vancouver druggist, who succeeded in procuring his liquor, was unwise enough to drink too much of it. Next day he was fined \$100 for being drunk. The minimum fine under the new act is \$50 for the first offense.

Don't forget to tell your wife occasionally that you love her. Otherwise she might not find it out.

C. E. SOCIETIES OF STATE NUMBER 1118 TO DATE

Miss Tillie Genter Of La Jolla Reports On Statistics; Membership 31,049

In giving the statistical record of the Christian Endeavor during the past year Miss Tillie Genter of La Jolla, the retiring assistant corresponding secretary, reported the following facts, among others:
Of the 1118 societies in the state, 309 were organized this year. The total membership in the state was given as 31,049, with the largest number of members, 16,640, in the senior department.

12 Outside of State
There are twelve outside state societies, one being in Reno, Nev. During the year 1745 Christian Endeavorers united with the church. Of the missionary collection taken by the members throughout the year \$17,372 was given to home missions, and \$13,751 to foreign missions.

Of the 16 denominations represented in the C. E. the first four in size are as follows: Presbyterian, 381 societies and 10,477 members; Christian, 264 societies and 7,318 members; Congregational, 168 societies and 4,298 members; Baptist, 76 societies and 2,004 members. The Pasadena Presbyterian church has the largest alumni membership.

Princess Fatima May Cause Diplomatic War

SAN FRANCISCO, June 29.—The ignominious plight of the Princess Fatima of Afghanistan and her three sons, who arrived here Saturday, among the second-class passengers on the liner Taiyo Maru, bids fair to become an international incident.

Prince Mohb Hassim Kahn, 19, the heir apparent to the throne of Afghanistan, on behalf of his mother, sent a telegram to the British ambassador at Washington asking him to have President Harding publicly rebuke Cook's Tours, Inc.

It seems that by some mistake in the rate of Afghan exchange Cook's Tours, through which the princess and her sons purchased their tickets, though the princess was only sending enough money for second-class passage and hence engaged that space for her. When she discovered the horrible mistake it was too late to change because all other available space had been sold. Hence the princess asks a public rebuke by President Harding.

The complaint will, in the course of diplomatic procedure, go to Secretary of State Hughes instead of President Harding. Hughes will then have the problem of eradicating by some means or other the terrible insult of the royal Afghan family.

Princess Fatima wears a royal jewel set in her nose. Her family once owned the famous Koh-i-nor diamond, now one of the crown jewels of England. She is taking her three sons to England to put them in a fashionable school.

'The Tomboy' Features Palace Grand's Bill

Eileen Percy, the clever comedienne of William Fox photoplays, has a lively picture for her new release. It is called "The Tomboy" and will be at the Palace Grand theatre today only.

This is the type of picture that suits Miss Percy best. Her blonde beauty adds to the roguishness of the story, and in addition the author-director, Carl Harbaugh, has introduced some humorous by-play which altogether makes this an entertainment of fine value.

In the cast with Miss Percy are Hal Cooley, Richard Cummings, Paul Kamp, Byron Munson, Harry Dunkinson, James McElhern, Leo Sulkey, Grace McClean, Virginia Stern, Walter Wilkinson, Wilson Hummel and Ethel Teare.

"Ladies' Pets," a two-reel Chester Hummagne comedy, is the second big attraction while music equal to the pictures should pack the popular house.

Regulations For Oil Leasing Now Complete

SACRAMENTO, June 29.—Rules and regulations under which the oil leasing bill will go into operation July 29 are practically complete, according to Surveyor General Kingsbury.

The bill, he declares, may save the state millions of dollars in taxes. Oil companies which have been working their derricks on the seashore in various coast sections without paying royalties, will be forced to apply for leases or discontinue work. Mineral lands will pay the state not less than one-eighth of the value of the product drawn from the leases. In places where oil is struck and new fields established, the operating companies will also swell the state's revenues.

BABY GRANDS

What a mark of refinement is the Artistic Baby Grand in the modern home! Heretofore the floor space needed, coupled with the added cost, has limited the proud owners of Baby Grands to a few of ample means and large homes, but thanks to the ingenuity of the great family of piano builders, "Behr Bros." have perfected the smallest perfect grand piano in the world without sacrificing any of the true grand tone qualities; in fact the "Behr Bros." can be placed in any corner that will accommodate the ordinary upright piano.

Modern manufacturing facilities and our improved method of distribution places this exclusive musical instrument within the reach of the most modest income, in fact no more expensive than the upright piano of moderate price and on terms to suit the convenience of the purchaser.

A liberal allowance for your "old" piano. See this remarkable instrument at our warerooms and learn of its tonal qualities by comparison with the "old time" larger pianos.

L. T. HENDERSON OF FORD PLANT SEES PROSPERITY

Jesse Smith's Visitor Says Wave Of Good Times Goes Eastward From Here

L. T. Henderson, a traveling auditor for the Ford Motor Works at Detroit, Mich., was a visitor at Jesse Smith's Glendale Ford agency yesterday, looking over the remarkable sales record of the local organization and sizing up prospects for the coming year's business.

Mr. Henderson stated that the Ford plant now is producing 4,000 cars a day—400 more a day than ever before—with 8,000 less workers. There are a total of 48,000 employed, but they have increased their efficiency to such a point that a material saving is made to purchasers of the universal car.

Demand Greater Than Supply
The demand is greater than the supply, according to Mr. Henderson, and this fact is evidenced here in Glendale by a shortage of both coupes and trucks, Mr. Smith states.

The visitor was greatly impressed with the prosperity here and stated that the wave of "good times" was sweeping toward the east with improved business conditions noted everywhere in his travel through the middle west.

Mrs. T. L. Totman Is On Camping Outing

Mrs. T. L. Totman, wife of T. L. Totman, manager of Chaffee's Grocery No. 30, and daughter Roma, of 510 North Central avenue, are camping for two weeks in Santa Monica canyon. Mr. Totman spends most of his evenings and early morning hours motoring between the camp and store.

A HOSPITABLE TOWN
The traveler in Oswego, alighting at the Fresno station, is greeted by a glaring sign at the station cafe, which reads: "Don't Go Into Town Looking Half Starved." On the opposite side of the sign, reminding the traveler who is about to take the next train out, is the sign, "Don't Leave Town Hungry."

Columbus discovered America by accident; to sail in the right direction, was his own notion.

Reinstatement Of Girl Student Is Demanded

NORRISTOWN, Pa.—The expulsion of a girl from Bryn Mawr college after it was alleged she had been suspected of thefts from other students, was revealed today with the filing of a suit in the Montgomery county court here.

The young woman is Miss Marjorie Barker of Michigan City, Ind. The action was taken by her mother in the form of an application for a writ of mandamus against the college and its president, Miss M. Carey Thomas, demanding the reinstatement of Miss Barker as a student with "all her rights and privileges." The alleged expulsion occurred at the Easter vacation.

Transfusion Of Blood Fails To Save Mother

CLEVELAND, O.—Blood offered by city firemen failed to save the life of Mrs. David Wilson, who died recently following a Caesarian operation by which twins were born, and despite the sacrifice of a pint of blood by Charles L. Trunkner, city fireman, in a blood transfusion operation.

Three hundred and seventy-two city firemen answered the call for volunteers when the doctor asked for a pint of blood which by transfusion, he hoped would save Mrs. Wilson's life.

'WINNING YOUTH' IS PAGEANT FEATURE OF C. E. GROUP

Temple Baptist Intermediate
Organization In Charge Of
Pleasing Attraction

The Temple Baptist Intermediate Christian Endeavor presented a pageant called "Winning the Youth," by Mrs. E. B. Walburg, at the Intermediate session Tuesday afternoon. The rising curtain showed two groups, on the one side Pleasure and Ambition, on the other Purity, Christianity and Service, between the two groups stood the Church and C. E. waiting the coming of the youths. There entered a group of young people who were quickly met and enticed away by Pleasure and Ambition, Christian Endeavor and the Church lamented their inability to stop this and there enters Intermediate Endeavor who calls on all his aids to draw the young, The Spirit of Devotion, The Spirit of Responsibility, The Spirit of Stewardship, of Good Citizenship, the Spirits of Good Will Toward All Missions, the Spirit of Decision followed by Confession of Faith, Loyalty to Christ, Service and Fellowship.

Plead with Young People
All these plead with the young people, holding out supplecating arms, and at last they are won. As they pledge themselves to do Christ's will Pleasure and Ambition come forth with hanging head and kneel at the feet of Christianity. Pleasure clasps the hand of Purity and Ambition clasps the hand of Service. The Spirit of Loyalty then walks forth and begs that the 'teen age boys and girls be helped to have their place in the church and take an active part in the work of Endeavor.

Paul Brown spoke to the young people, comparing the Intermediates of California with those of Texas and pointing out the fact that this state has always led and is now over the three hundred mark and is going higher. He received a large number of pledges from the older people that they would go home and strive to start an Intermediate Endeavor in their church or town.

Banners Are Presented
Two banners were presented following Paul Brown's talk. The first banner for best attendance during the year went to the First Berkeley Baptist Intermediate with an average of 58 per cent. The second banner, for the largest pre-convention registration, was awarded San Bernardino county.

To close the session Miss Mary Sharpe of Los Angeles sang the Intermediate song, "Lord Keep Me True."

VISITORS TO CITY GIVEN EVERY CARE, BY C. E. WORKERS

As the able assistant to Miss Ethel Preston, chairman of the entertainment committee, Miss Maurine Baker has done wonders in securing sleeping quarters for the visiting delegates to the Christian Endeavor convention. Miss Baker has given generously of her time and efforts to see that every visitor to Glendale would have accommodations. It was some task to handle about 4000 visitors, but the committee was efficient and had the work well in hand. The members are deserving of much credit for the able manner in which the details were carried out.

Commodities For U. S. To Settle Debt, Plan

By RALPH F. COUCH
United Press Staff Correspondent
WASHINGTON, June 29.—Payment in commodities instead of coin may solve the problem of getting from the allies the \$10,000,000,000 war debt owed the United States. Treasury department officials, it was learned today, have considered such a solution. Secretary Mellon, in appearing before the senate finance committee on the debt situation this week probably will be questioned on the possibility of obtaining payment in goods.

Payment of world debts in coin is creating havoc in the international exchange markets. Settlement of the foreign debt to the United States was deferred by the Wilson administration because of the danger of throwing the exchange market into confusion. The United States needs millions of dollars worth of goods annually from Great Britain, our greatest creditor, her colonies and from France, Italy, Greece and other nations which owe money to the United States.

'Man Of The Forest' Powerful Photoplay At Glendale Theatre

Do you wish to blot out for a while the everyday facts of life, and tread a golden path of adventure—utterly forgetting the world and its cares in the thrills, the romance, the pathos, the humor and the breath of wide spaces and strange lands from a Zane Grey wonder-book, in a magnificent photoplay by Benjamin B. Hampton? Then drop in at the Glendale Theatre and see "The Man of the Forest," the newest Hodgkinson release, which opened there yesterday for three days.

"The Man of the Forest" is the latest photoplay of a Zane Grey novel, and it brings to life on the screen one of the author's latest and best-selling books. It is another powerful Benjamin B. Hampton-Zane Grey combinations of the past, "The U. P. Trail," "Riders of the Dawn," and "Desert Gold," which Hodgkinson gave the theatre patrons of the world.

"Among Those Present," Harold Lloyd's latest comedy, is a scream from start to finish. Everyone will enjoy it. Other features round out the big bill.

THEY'RE QUITE ALIKE
A rather successful Hoosier school marm has for one of her ambitions never to look her profession so that people can guess it when they see her. So whenever she goes on a vacation she poses as a stenographer, a clerk or a member of some other profession than her own. When she left at Easter time she said that this time she "was going to be a widow for a week."
She succeeded in carrying off her pose successfully, too, until the day before she started home. Then on that day she overheard the colored elevator boy talking to a man she had met. "So, she am a widow?" he said.
"Yes," the man nodded his head.
"I ain't surprised," the boy retorted with conviction. "I said that the day she come. I say that woman's either a widow or a school teacher. Both of 'em always have such a pert, 'I have bossed the world' way."

'DEAR KATIE' GETS FEW FACTS, LOTS OF HUSTLIN'

E. C. Hale, That Strivin' Scribe,
Learns Who Owns Brace Of
Pianos At Convention

GLENDALE, June 29, 1921.
Dear Katie. In hustlin' around to write articles for the last couple a days, I guess I've done more hustlin' than I did writin', but sometimes a home run in the ninth saves the game or words to that effect.

So Tuesday mornin' I went down to the Evening News office to tell the boss as how I better go over to Venice for the day and write a article about the new pleasure peer. But the nicest plans of mice and starvin' reporters usually gets all mused up or ends in the waste basket. Ain't so, Katie?

Well, when I went in the boss was flyin' around and he was as busy as a peddler of toy balloons in the parade last nite.

Then right off the reel he asked me as don't I know as how there's a C. E. convention in town and why don't I get busy. Well, I was tryin' to think of a quick come-back at him when he told me to go over to the auditorium and hang around from 9 to 11 to get the news of the A. M. and be quick about it.

Lots of Nothing Going On

Well, I was going to say as how I'd rather go next Friday, but before I had a chance he dashed off into the pressroom and kicked over a innocent cuspidor on his way out. Well, Katie, peace between me and the boss is just like the monotonous interval between wars, so just to show my independent nature—I went over to the auditorium. I got in all right seem as how there wasn't nothin' goin' on and I went right down in front and sat at the private desk which is reserved for the reporters of the Glendale Evening News of which I am one of the same.

Well, that was a honor in itself, so I sit there puffed up like a settin' hen and tryin' to look dignified and intelligent.

And while there's always something doin' in the lives of famous men, Katie, somehow I ain't had my picture in the paper yet like some of them have.

Finds Out A Few Facts

Well, there wasn't nobody there but a couple ushers and a few people runnin' in and out, so I just waited for the crowd to commence to come. So to pass the time away I just got a few facts from one of them ushers concerning the furniture and the decorations.

The usher told me as how the Glendale Music company had furnished the Baldwin piano which the same was nothin' if not beautiful and was worth \$2500. My fingers was achin' to go over and fondle them ivories, cause you know, Katie, as how I learned to play the piano by mail in four lessons.

Then there was another piano on the stage which was named Behring and was donated by the Barnes Music company of Los Angeles.

And all over the stage was pretty flowers and flags and banners with as many colors displayed as there is in the bathin suits at Venice, only there on the stage I just admired the colors, while at Venice I always admired the—bathin suits.

Stays Because He Has To

Well, Katie, I set there at the reporter's desk for most two hours, waitin' for the crowds to come, but outside of the ushers and the committee and the ice man, there wasn't nobody showed up. So I began to walk up and down like a lion in a circus and then a man come up to me and he says what am I stayin' for and I says I had come by request and was stayin' cause I had to.

Well, Katie, at 11 o'clock nobody had come so I gave it up in disgust and I come home. Tonight is the last day of the C. E. convention and the visitors will begin to roll their tents and sadly return to wherever they came from. Everybody has had a nice time and won't forget our fair city very soon. And I'm a thinkin' as how most of 'em are going away just long enough to sell their homes for a little of nothin' and then come back and buy a home in the Jewel City, which in itself is a 4 per cent kick on the investment. And the conventions may come and conventions may go, strivin' reporters work forever.

Yours until the Christians endeavor to come again.
E. C. HALE.

REMONSTRATED WITH HIM
He was an elderly son of the soil, and he had a savage hatred of taxes of every kind and description.
To add insult to injury a perky little collector called on him one day for taxes he had already paid.
Unfortunately the farmer could not find the receipt.
"I explained this to him," he said to a friend, later, "and would you believe it, Bill, the feller began to abuse me!"
"Did he," said Bill. "And what did you do?"
"Do! Well, I remonstrated with him."
"You did? To what effect?"
"I dunno exactly, but the shovels got broke!"

BIG HEARTED FOLK OF CITY HEAR ALL APPEALS FOR ROOMS

ETHEL PRESTON

Question—How can 4000 visitors to the state Christian Endeavor convention be housed in Glendale? Answer—It can't be done. Yet it has been done and the credit for doing it belongs to Ethel Preston, employee of the First National Bank of Glendale and chairman of the entertainment committee, and her assistants. She, in turn, says that it was the big-hearted people of Glendale who did it. Anyway, about 4000 visiting delegates are being cared for in Glendale and it was only a few days ago that it was declared that the "trick" was impossible. As chairman of the entertainment committee, Miss Preston had one of the hardest tasks of the convention, and she and her aids won; the big-hearted people of the city "made room for one more."

San Fernando Valley

Apricot Pack Starts

The Van Nuys Canning company starts its pack of apricots on Monday. Three hundred tons of the fruit have been contracted for at Redlands and several hundred tons comprising the San Fernando valley crop also will be cared for. The campaign on the 'cots will last 21 days.

Associated Chamber to Meet

The next regular monthly meeting of the San Fernando valley chambers of commerce will be held in Lankershim, Edgerton Shore, newly-elected member of the Los Angeles board of education, will be among the principal speakers.

K. of P. to Celebrate

Starting Friday, July 1, the Knights of Pythias of Van Nuys will hold a carnival for four days which bids fair to attract crowds from the entire countryside. A "Forty-nine Camp" and other attractions of a wild and woolly nature are scheduled to compete with Burbank's rodeo.

School Contract Let

C. J. Nordquist of Los Angeles has been awarded a contract at \$29,490 for an addition and a sanitary building for the Lankershim school site. Other sub-contracts on the job also were let.

Potato Growers Hopeful

San Fernando valley potato growers are not entirely discouraged by the slump in the price of spuds for they feel that the volume and condition of the crop in southern California justifies the hope for higher prices. A sharp upturn is expected after July 1.

Lankershim Leads League

Lankershim is leading the San Fernando valley baseball league with San Fernando a close second. Lincoln Heights and Van Nuys are tied for third place. Burbank replaced the Glendale Elks which joined the Elks' league.

Annexed—And That's All

Los Angeles' delay in cleaning Van Nuys streets has caused quite a bit of complaint there since the late rains. The chamber of commerce is making an appeal to the council of the metropolis to give it some of the service promised by the annexationists.

Mothers' Club Picnics

The Mothers' club of Marian knows how to have a good time these warm days. It adjourned its last regular meeting to Brookside park where a noonday picnic was enjoyed.

Van Nuys-Beverly Boulevard

Here's a highfalutin name for a road proposed in the west end of the valley. It is the Van Nuys-Beverly boulevard. If opened by the Los Angeles engineering department, the road will provide a new outlet to the beaches.

Millions In Treasure In Old Mexican Cave

SAN ANTONIO, Tex.—One man in the world knows the location of the Cavallo Blanco cave, in old Mexico, and knowing it may result in his becoming the possessor of \$73,530,000 in gold and silver.

Adam Fischer, recently returned from Mexico, said he had re-located the Blanco cave, with its great treasure trove. He discovered it once before, but was unable to find it when he returned.

Fischer is now awaiting the decision of the Mexican government on his application for a concession to remove the hoard.

The story of the gold and silver bars and Spanish octagonal dollars dates back to 1810. At that time, during a revolution against the Spanish government, it is claimed that officers of the government and the army took the gold and silver from the treasury and hid it in the Cavallo Blanco cave, in the Cerro de Silla mountains, near Monterey, in the state of Nuevo Leon.

Hundreds have spent their lives in the search for the treasure, according to Fischer, but he alone has discovered its hiding place.

If Fischer gains possession of the great fortune he plans to erect a \$2,000,000 monument on Alamo Plaza to the heroes of the Alamo, and also make other munificent municipal gifts.

PREPARED

"I trust, Miss Jones," said her cautious employer, "that you have something in reserve for a rainy day."
"Why, yes, sir," replied the stenographer, brightly. "I'm going to marry a gentleman named McIntosh."

Jersey City Prepares To Greet Fight Fans

JERSEY CITY, June 29.—Jersey City is opening its gates to thousands of fight fans.

Tex Rickard's big pine arena isn't completed yet but the city is prepared.

"All of our plans are ready. We will take care of the crowds," Mayor Frank Hague said today.

The ring is to be built today.

New Jersey, which hasn't much of a reputation for handling fight crowds, is going to make a supreme effort to send every visitor away without criticism.

More than a thousand police will be in and around the arena. Another thousand firemen will guard against fire and two fire companies with special apparatus will be just outside the arena.

The stadium will be surrounded by a deadline of four blocks in width away from the arena, through which no one can pass without a ticket. Mounted cops will keep the "curious" moving.

To take care of the "boys" who want to see the fight for \$5.50 general admission tickets, Rickard will provide ticket wagons of the circus variety all around the stadium. The tickets will be passed out by experts trained in the school of John Ringling.

AS A SPECIMEN

"Where in the demition blazes is that new reporter, Jobbles?" belated the city editor.

"I sent him out to cover a lecture on the 'Missing Link,'" said the assistant city editor.

"You did, eh? Well, I hope you told him to sit in the rear where he wouldn't attract much attention. At a meeting of that kind he's liable to be drafted."

PRETTY PARADE IS STAGED BY C. E. YOUNG FOLKS

Some Spectacle With 2500 In Line Marching To Tunes Of Three Bands

Glendale had a parade yesterday evening. Yes, sir! A real live, honest-to-goodness parade with all of the fixings and side-shows that go with that event; bands, floats, pretty girls and a grand marshal on a white horse. It was even three-quarters of an hour late, as are all self-respecting parades.

Over 2500 visiting delegates, representing Christian Endeavor Unions from one end of the state to the other, took part in the largest parade ever witnessed in Glendale. Led by a platoon of Glendale police and Grand Marshal Al. Dingle, Marip county president, the visiting delegates marched and countermarched through the central part of the city before a throng of several thousand people gathered from Glendale and the surrounding country for this occasion.

Beautiful Floats in Line

As was to be expected the major part of the procession was formed by Los Angeles county unions. Several unique and beautiful floats marked the event. Riverside produced a large float representing the Holy Bible inscribed with the motto, "The Open Bible in Every Home," while the Los Angeles County C. E. Hospital Workers had a particularly beautiful float decorated in red and white. But Stanislaus and Merced walked off with first prize with their unique, airy display—especially the dairy maids.

The first section was led by the American Legion Band, Glendale Post, No. 127; the second division by Jim Cooper's Marine Band, composed of local talent, while Alameda county's Kazook Orchestra filled in here, there and everywhere. The first section was composed of the various committees of Glendale who have had charge of all the arrangements pertaining to the convention. They were warmly applauded for their services as they passed the reviewing state officers at Brand boulevard and Harvard street.

Present Colorful Atmosphere

Balloons, colored hats and caps, artistic costumes, and the waving of flags all lent a colorful atmosphere to the event. After marching through town, the line of march ended before the auditorium at Orange and Harvard avenues, where the American Legion Band gave the large crowd a treat by the peppy manner in which it rendered some of the latest musical numbers, under the leadership of R. D. Crawford.

The order of march was as follows:

First Division

Glendale police; A. L. Dingle, grand marshal; American Legion Band, Glendale Post No. 127; Glendale committees as follows: general committee, pageants and guides, ushers, entertainment, reception and registration.

Second Division

Band; state officials in automobiles; San Luis Obispo, beautiful red and white maypole; Stanislaus and Merced, dairy float; Yosolano in a decorated bus; a series of decorated float destroyers; Santa Cruz Juniors; Tenth Legioners, with yellow dollar signs; Alameda, with its Kazook orchestra; Long Beach, life boat and a demand for the 1923 convention; L. A. County Hospital Workers; Santa Clara; Santa Barbara; Orange, with orange caps and smocks; Sacramento, San Diego, green dunce caps; Kern; Kings in a specially-decorated King auto, and Riverside with its bible float.

HAT ON CROOKED

It seems that Saturn's hat is not on straight. It's tilted at a rakish angle, and all sorts of awkward things are predicted for our poor little earth in consequence. Prof. Edwin B. Frost, the astronomer at Lake Geneva, Ill., has asserted that the big planet's rings, which really look at certain angles like the brim of a derby hat, are all on edge.

At their present angle, which is likely to persist for some weeks, they turn a knife edge to the earth and are hard to be seen at all. Usually Saturn presents a magnificent spectacle to the star-gazer with a good telescope, for it looks like a blazing grapefruit inserted in the middle of a luminous dinner plate—and that is just about the planet's relation to its three concentric rings, which have the visual effect of one.

With the edge of the dinner plate turned toward us, we see virtually nothing but the grapefruit, and it looks like any other grapefruit. The thickness of the celestial dinner plate is only about 100 miles, according to Prof. Frost's estimate, but the diameter of that plate is something like 173,000 miles.

Prof. Frost is not especially perturbed over the behavior of Saturn. Far from thinking it has anything to do with the late war, the eighteenth amendment or the famine in China, he says the tipping of the rings take place every twenty-nine years.

VARIED DECORATIONS ON STREETS AND IN AUDITORIUM FOR C. E.

C. C. STOLER

When it became known that Glendale had won the state Christian Endeavor convention, the general committee in charge of the big event decided that C. C. Stoler of this city was the man to head the committee on decorations. Therefore, he was named; he selected his aids and now the city is all "dolled" up for the visitors. The Chamber of Commerce and the board of city trustees aided the committee by donating flags and other decorations and, too, the general committee itself went to considerable expense to beautify the streets and the convention hall. The large electric "C. E." over the entrance to the auditorium is causing much favorable comment. Mr. Stoler and his aids are coming in for much praise for the way they handled their part of the big gathering.

A number of Tujunga capitalists are soliciting subscriptions for stock in the proposed Tujunga Valley bank, which is planned to be in operation within the next few months. Over half of the capitalization of \$50,000 has already been subscribed.

BILL PARSONS'S HORSE

Bill Parsons of Mt. Pleasant, Idaho, has a horse and he doesn't know whether to trade him, kill him or buy him an ear trumpet. The horse is a fine-looking animal and he can travel—but—

The other day Archie Carson, the mail carrier on R. F. D. No. 1 passed Bill on his out trip and Bill's horse was standing stock still in the road. As Archie swung back to town again, he passed Bill and the horse was standing still in the road. As Archie drove home to dinner he passed Bill on the edge of the town and stopped.

"Is that horse sick, Bill?" asked Archie.

"Not that I know of," answered Bill. "I ain't noticed no symptoms."

"Does he balk?" continued Archie.

"No, he don't balk. But he's so darned afraid I'll say whoa and he won't hear me, that he stops every once in a while to listen."

LICENSES FOR AIR GLENDALE NINTH IN PILOTS SOON TO BE REALITY MAY BUILDING ON COAST

Superintendent Of State Motor Vehicle Department Will Appoint 'Hangar Chief'

SACRAMENTO, June 29.—Have you made application for your state airplane license yet?

Sounds foolish, but some day soon it will be as old and as troublesome a story as getting the auto license.

Already Charles J. J. Chen, superintendent of the state motor vehicle department, is worrying over the appointment of a chief for the department's "hangar division." The hangar division will have charge of all aircraft as provided under the Rosenbush bill adopted by the recent legislature.

Fliers Must Be Licensed

Under the law every civilian aviator in the state must be licensed. The license plates, obtainable on regular application similar to that for automobiles, will be issued only to those who have passed an examination equal to that prescribed by army and navy flying divisions. Army aviators will be asked to assist the department in conducting the examinations.

No person under 19 years of age will be given an operator's—or rather pilot's—license. The fee for the license will not be less than \$5, and for the examination not less than \$25.

Numbers on the license plates must be at least three feet in height, for the convenience of aerial traffic cops. The cops will be the next thing for the state to worry about.

More Bogus Tickets To Fight Are Issued

NEW YORK, June 29.—The comic paper sleuth, reading glass and everything, is coming back.

Tex Rickard today engaged a gang of the reading glass Sherlock Holmes variety to assist at his Jersey City soiree next Saturday. If it were not so hot the old non-distinguishable whiskers might be revived also.

Tex hired the reading glass squad when he learned today that another flock of counterfeit tickets had been released. This time it was the \$5 pasteboards which were imitated.

The counterfeit is so good that it defies everyone but an expert engraver and even he must aid his eyes with a lens. Three of the tickets were sold in Wall Street today before the authorities became suspicious.

You Can't Buy a Packard for the Price of a Ford

Neither can you buy meat from choice young steers for the same price as you can that from old cows, etc.

The Glendale Market enjoys one of the largest meat patronages in Glendale for the reason we are extremely careful in selecting meats. Our buyer personally visits the packing houses and chooses only the choicest quarters—for which we pay a little more and charge a trifle more. The difference in what we charge, however, for the best meats, and what some charge for inferior grades is so small as to be scarcely noticeable.

People who enjoy eating tender, luscious steaks and other cuts, appreciate the quality of meat we sell, and are our regular patrons. You, too, would be pleased with our meats and service, if you would but give us a trial. Delivery service in every part of Glendale.

NOT HIS FAULT

Gov. Channing Cox of Massachusetts, discussing the high cost of living in France, said the other day:

"In Paris, you know, a good pair of shoes fetches \$50 and a good meal about as much."

"Well, a young lawyer started on a brief vacation trip to Paris in June and he long overstayed his time. On his return in late September, a friend who knew he was none too flush said to him:

"Why did you remain so long in Paris, Jim?"

"My friends kept me there," Jim answered.

"Your friends? Why, Jim, I did not know you have any friends in Paris."

"I haven't. My friends are all in Oshkosh, but they refused to send me any money."

MENTAL SUPERMAN FINDS GEOMETRY HARD SUBJECT

Michael Nolan Passes Army 'Alpha' Test In 13 Minutes; Yes, Girls, He's Single

SEATTLE, June 29.—"I'm afraid I'm not as picturesque a person as that," said Michael Nolan, mental superman and British war veteran, when he was handed a clipping describing him as a former lumber jack and roustabout. And then talked on and showed that if he is not so "picturesque" he is at least a very interesting character.

Nolan recently startled educational circles when he recently passed the army "alpha" intelligence test with a perfect score in the record time of 13 minutes. Nolan passed the first two tests with such ease and rapidity that it was decided to give him a third one so difficult that it was thought that it would be impossible to pass it. It consisted of sixty unusual words, which he recognized without hesitation.

Denies Being Lumberjack
He is a man of about five feet eight, dressed with good taste, and looking much lighter than the weight he claims. 197 pounds. His dark hair is slightly touched with gray, and he wears a military mustache. He denies that he was ever a lumberjack.

"Before the war," he said, "I was a surveyor, and spent some time on a timber cruiser. I came to the United States from Ireland and made my home in California. I fought in the Spanish-American war, and when the great war broke out I went back to England and joined the Royal Engineers."

Asked to what he attributed his mental attainments, Nolan said, "I have been a great reader all my life and more or less of a student."

He came to the University of Washington as a special student in February, 1920, and received his B. S. degree this month, completing what is regularly a four years' course in less than two years.

Nolan said that his hobbies are philosophy, public health work and sanitary engineering.

"Is there no subject that you find difficult?" he was asked.

"Yes, there is one," he admitted with a smile, "Descriptive geometry. They chuckled over it when they found there was one subject that I found hard."

Nolan again smiled when questioned on his career as a warrior.

"There is one war that I have kept out of, at least," he remarked, "that of matrimony."

Watching Scoreboard

Yesterday's heroes—Smith and McHenry. The Cardinal sluggers knocked home runs and helped beat the Reds, 7 to 3.

The Browns got seventeen hits off Coveleskie but lost to the Indians, 12 to 4.

The Cubs took a doubleheader from the Pirates, 2 to 1 and 8 to 6. Hollocher went out of the game with a broken nose and Freeman retired after being hit on the head by a batted ball.

Three Athletic pitchers were badly pounded by the Red Sox, who won, 8 to 1.

PLENTY OF FOOD IS PROVIDED FOR VISITING DELEGATES

"Man must eat," a prominent man once exclaimed in extolling the virtues of certain citizens, and the all-important task of seeing that the visitors to the Christian Endeavor convention not only eat, but eat heartily and satisfactorily, has been safely placed in the hands of Mrs. H. W. Yarrick, chairman of the commissary committee. Under the direction of Mrs. Yarrick a cafeteria is being conducted at the Glendale high school, the Intermediate school and at the Congregational church. None of the delegates are complaining that Glendale has a food shortage, they appear well fed and, in brief, the commissary department of the Christian Endeavor convention is working out well.

CITY ZONING, ALSO SEWERS, TOPICS BEFORE C. OF C.

Board Of Directors In Session Yesterday Elect Three To Membership

City zoning and business district sewers were the two principal topics of discussion coming before the board of directors, meeting at the Chamber of Commerce yesterday noon. A committee was appointed to look into the proposals on the former while Secretary Rhodes said that he was circulating petitions among property holders to obtain a four-unit septic tank system to handle the sewage in six blocks centering about Brand boulevard and Broadway.

A luncheon of the directors was not held as usual and their meeting was called to order by President C. C. Cooper at 12:45 o'clock. The Barnes-Shuck Music company of 211 North Brand boulevard, C. P. Reynolds, realtor residing at 800 East Palmer avenue, and George Berg, contractor, were elected to membership.

O. O. C. Luncheon Held At Church On Tuesday

One hundred-twenty young folks gathered at the Congregational church Tuesday noon for the O. O. C. luncheon. They represented high schools from nearly every county in Southern California. The lunch, like all other C. E. affairs, was punctuated with bursts of song and during the strawberry shortcake course Rev. Harry Rimmers spoke of the great work O. O. C. is doing for the young people in the schools.

Mrs. Chester Rutledge explained the object of the "Out and Out for Christ" club, which is a society of youths who have a daily prayer circle in their school to help combat the evil influences there. The most interesting talks were given by girls who had just finished a successful school year with O. O. C. as their chief help.

The last number on the program was a short talk by Paul Brown. He was there to urge all the young people to go back to their homes firmly convinced that what they need more than anything else in their high school life is just such a prayer circle to help them overcome temptations and help them win others to Christ.

De Valera Is Again Irish Republic Head

NEW YORK—Eamon de Valera has been re-elected President of the Irish Republic, it was announced by his secretary, Harry Boland.

Mr. Boland also stated that Sean (James) O'Connell, the former Irish "envoy" to Paris, had been elected Speaker of Dail Eireann, the legislative body of the Sinn Fein government.

O'Connell is president of the Gaelic League and belongs to the moderate wing of Sinn Fein.

BEAUTY, BRAWN AND NOISE IN PARADE OF ENDEAVORS

Plenty Of Excitement Given Natives, Message Sent By 'Dear Katie's' Friend

GLENDALE, June 29, 1921.
Dear Katie: Last night I felt like it was quite important as how I should write a article about the C. E. parade so as I could tell everybody about it, but Katie, it was just a waste of time, cause if there was any Glendale people that didn't hear that noisy bunch, it was cause they had gone east for the summer. Yells and whistles, hoots and hollers, fryin pans and balloons filled the air. It just seemed to be a free-for-all lung contest to see who could yell the loudest. I put my fists in my ears so I could think out loud and the only time it was quiet was when the band played and drowned the noise.

Regardless of the noise, Katie, the parade was very pretty. Everything from baby balloons to beautiful banners blended in color with the purple skies and golden sunset.

And for pretty girls—well, Katie, I was where the beauties was thickest. There was more charmin damsels in that parade than there is generals in the Mexican army, which the same just goes to show as how Mack Sennett ain't got a corner on all the beauties of California anyhow.

The middle blouse brigade of pages and guides looked as cute as baby shoes and they was as peaceful and quiet as a riot in a Chinese laundry.

SOUND LIKE ELECTION NIGHT

The Golden Gate delegation sounded like 12 o'clock on election night, with four counties to hear from, and the noise they made would of made a whistle on the Sou. Pac. sound like it was out of order. Katie, it was awful, and when the home team swung into view I got so excited I dropped by \$2 straw hat and stepped in it. All the boys and girls of Glendale was real ladylike outside of actin like they had just got news that the armistice was signed and was tryin to tell us about it.

The reception committee looked as charmin as the city of Glendale after cleanup week and as for the rest of the divisions—well any one of them dames was enough to hold up traffic at Brand and Broadway.

Los Angeles county was headed by a five-piece band and they was all outa tune except the drummer which the same didn't make no difference, cause they couldn't play loud enough to be heard anyhow. Among them present in the autos of the state officers was a lot of interestin people who has done things, includin Mr. Howard L. Brown. And, Katie, Mr. Brown saw me and smiled right at me, so I guess he ain't mad at me account of what I said about his ice box at the auditorium.

No Need for Cops

At the head of the parade was four cops and, Katie, they might as well of stayed to home cause this town is gettin so good since the C. E. convention got here that the police station is threatenin to close up for lack of trade.

Well, finally, at last the parade ended up at the auditorium and I just made a modest estimate of the people which was gathered there as about 17,421.

Maybe there was a few more as that, but anyway, for a jolly time, it was enough to make the Actors' Fustival look like a undertaker's picnic. It was the end of a perfect parade and then Katie the band begun to play, "Hail, hail, the gang's all here. What to—"

But that's all I heard, cause I come home then, which made one Hale less in that noisy crowd anyway.

Yours eventually (whatever that is).
E. C. HALE.

Every word of profanity is a prayer to his satanic majesty.
